\*Free Disc with Entry: Disc Descriptions-

Katana- INNOVA's very fast pro distance driver for a wide range of players amazing glide and controllable turn to create a very usable disc.

Wraith- INNOVA's longest and fastest star distance driver. It is a stable flyer that performs predictably well in the wind.

Mako- INNOVA's large diameter star mid-range disc. It has the flight characteristic of a putter, with the glide and speed of a mid-range disc.

Dart- INNOVA's small diameter pro putter with a straight flight. Good for long range putts and go-for shots, putting and short straight approaches.

**Directions:** I-35(10 mi north of Ames); Story City exit #124, west on 115th St. (Broad St.) 0.75 miles to park on South side of the road. Registration in Shelter across the bridge. First tee is by the track.
